EDITORIALS

*It is a matter of great satisfaction for us that the first volume of the Annual Magazine of **SARINDA** is being published on the auspicious occasion of the “Freshers Cum Get Together” being organized by **SARINDA**, Assam University, Silchar. The Magazine deals with some poems which are written in Rajbanshi, Assamese, Bengali and Hindi languages. The poems collected in this volume unfold a little panorama of the present socio-cultural scenario of the north-eastern part of India and North Bengal. The Magazine also focuses on the translation literature of Rajbanshi language and a poem based on Shakuntala upakhyana is brightened our magazine. Rajashee’s poem is most important for protecting the girl children.*

The Magazine will hopefully stimulate among the young poet and intellectuals at the national level.
